

Invitation

The Treaty between Italy and Liechtenstein (IT TIEA) and the Italian Voluntary Disclosure Programme (IT VDP)

on 1 April 2015

On 26 February 2015, Liechtenstein and Italy signed a tax information exchange agreement according to the OECD standard with a supplementary protocol and joint declaration on future cooperation in tax matters.

Take advantage of the opportunity to inform you first-hand about the treaty itself and the IT VDP. What does it mean in practice? What are the consequences for your daily business and clients of a Liechtenstein bank?
